

REGISTERED APPRENTICESHIP

Registered Apprenticeship is a national system that offers on-the-job training in many of today's sought-after careers through partnerships with businesses like yours. Our nationwide network includes approximately 250,000 employers in 1,000 careers. Over the past 70 years, Registered Apprenticeship has developed millions of apprentices and strengthened America's workforce – one program at a time.

Why Partner with Registered Apprenticeship?

Building a Registered Apprenticeship within your business has many advantages – for you and your employees.

★ Benefits for your bottom line

Registered Apprenticeship programs aid in recruiting new personnel, and often support the activities of your human resources department.

Investing in the future of your employees can strengthen their loyalty to your company.

Teaching employees new skills and providing incremental raises increase productivity, decrease turnover and save your company money spent on training.

★ Business-driven, customizable program

The Office of Apprenticeship will work with you to create a flexible training program appropriate for your business. Registered programs range in size from one apprentice to hundreds depending on the employer.

As your workforce needs change, we will help you adjust your training curriculum or design a new program if necessary.

★ Financial incentives

By creating a Registered Apprenticeship program, your business may qualify for state tax benefits or other financial support.

Many employers experience strong returns on investments after partnering with us.

★ Opening doors to networking

Program sponsors of registered apprentices are part of a nationwide network of 250,000 employers in 1,000 occupations. Learn best practices from leading training programs.
