- 2014 Legislative Session
 - In anticipation of the 2014 legislative session, I would like to begin discussing broad topics in which potential legislation can be developed by our group. First up is Fraud. Our fraud manager, Kaye Fournet, and I will provide you with our thoughts as to potential areas for legislative change. If you have any thoughts regarding improvements to our existing fraud statutes, please bring them to our meeting Thursday. Thank you and I look forward to seeing your Thursday.
