2014 Legislative Session

SB 374 – Sen. Martiny

Trey Mustain makes presentation on bill.
Bob Israel motions to oppose bill.
Julie seconds bill. No objections. Motion to oppose passes.

HB 1190 – Rep. Gaines

Troy Prevot made motion to have a study performed and take up the bill next year.
Denis seconds motion.
Vote: 8 for, 4 opposed
Motion to perform study fails

Clark Cossse made a motion to inform Rep. Gaines that the WCAC will not take a position on HB 1190. The council could not come to an agreement to support or not support the bill. However, the council will work on all the agreed concepts addressed in the bill and establish a rule to address each area. The council will further keep Rep. Gaines updated on the rules. Denis Juge seconded the motion and no objection was posed by council. Motion carried.
